Funeral Tuesday for Walter S. Darnaby, Retired Shoe Dealer

Walter S. Darnaby, well known retired Antioch shoe dealer, died at 10 a. m. Saturday at the Lake County Tuberculosis Sanitarium.

Born Oct. 21, 1874 in Kentucky, Mr. Darnaby moved to Quincy, Ill., and then to Antioch in 1933. Mr. Darnaby was in the shoe business 55 years. He worked for Guthmann, Carpenter, and Teeling, manufacturers and wholesalers, and later for the Chicago Footwear Co.

After coming to Antioch he managed the Rhodes Shoe Store, later purchasing the store and re-naming it the Darnaby Shoe Store. In 1949 he sold half interest to Robert Taylor and in 1954 sold the remaining interest to him and retired.

His quiet unassuming nature won for Mr. Darnaby a host of friends who are saddened by his death. Mr. Darnaby was a member of the Quincy Masonic lodge having attained 32 degrees in Masonry. He was a charter member of Antioch Lions Club and at one time was secretary of it.

Surviving are the widow, Gladys, a brother, Ernest, and a sister, Mrs. F. F. Davis, both of Columbia, Mo. The funeral service was held at 2:30 p. m. Tuesday at the Strang Funeral home with Mrs. Theresa Lewis of the First Church of Christ Scientist serving as reader. Interment was in Liberty cemetery.

Two Posts Open on Central High Board

Candidates for two positions on the Salem Central High School Board of Education are being accepted by Clerk Richard Hartnell of Salem for presentation at the annual school district meeting on June 30.

The terms of Floyd R. Holloway of Paris Township, and Rodelle C. Schenning of Wheatland township expire. It has been a policy of the district to have representation from each of its five townships.

At the most recent meeting of the board, announcement was made that freshmen and transferred students will register the last two weeks in August, and are to be accompanied by a parent or guardian. Evening registration will be on Aug. 19 and Aug. 27 from 7 to 8:30 p. m.

Other business was the approval of current bills and the discussion of the 1958-59 school budget.

The undefeated Lindenhurst Men's Club will play the Elmer's Standard Service team at the Antioch Township High School diamond at 7 p. m. Tuesday as the teams in the Men's Softball League battle for supremacy.

Lindenhurst recently beat St. Peter's of Spring Grove 36 to 8, continuing the football-like scores. The summaries of recent games follow:

Games Thursday, June 12

Lakes Tile 20, V.F.W. 11
Typical of the high scoring contest observed so far in the Men's Softball League, Elmer Eberman's Lakes Tile notched their first victory of the young season with a 20-11 victory over the Lake Villa V.F.W., overcoming a 11-5 deficit.

At the beginning of the fourth inning, Lakes Tile scored 6 runs, adding 4 more in the fifth and capping the game with 5 runs in the seventh. Hitting stars for Lakes Tile were Becnar, Christiansen, and Sandorf, with Domato getting the pitching victory. Stars for the V.F.W. were Millard Schneider, Frank and Bocox.

Sea Otter Boat Co. Moves From Chicago To North Ave., Antioch

The Sea Otter Fiberglass Boat Co., Inc., has moved its factory here from Chicago and is situated in a large barn on E. North avenue formerly used as a skating rink. The building was originally a part of the Kinner estate.

Nine persons are now working on boat production which is not yet in full operation.

John L. Prather of Chicago is president of the company. He expects to enlarge the staff soon.

Sales Tax \$3,670.28 For Antioch in April

Antioch will receive \$3,670.28 in sales tax refund for the month of April the State Department of Revenue announced. This amount kept pace with the rest of the villages in Lake County and exceeds that of Fox Lake, a larger community.

The sales tax is a nice buffer for the village this year in view of the fact that tax money will come late owing to the delay at the county building in getting out the billing for collections there. Formerly the collections were made in each township and the work was speedier.

Announce New Group To Patrol Lake Area

Two Antioch area men are listed as officers of the new Illinois Water Police organized June 7 at the Fox Lake Village Hall.

They are James Lishamer, captain, and Robert Lishamer, lieutenant.

The organization has been formed to provide patrolling of the Chain of Lakes area to insure safety.

Other officers are Pat Auriemo, Fox Lake, sergeant, and Arthur Borchard, secretary and temporary treasurer.

Others attending the initial meeting were George Barrington, Paul Smith, Kenneth Licht, Allen Lockhart, Kenneth Schill, and Gene Kewawa.

The next meeting will be held at 7:30 p. m. Saturday at the Fox Lake Village Hall. Borchard said that any man interested in this volunteer safety organization, is welcome to attend this meeting. He may contact Borchard at Elliot 6-5457 after 6 p. m., or write R.F.D. 1, Box 166, Lake Villa.

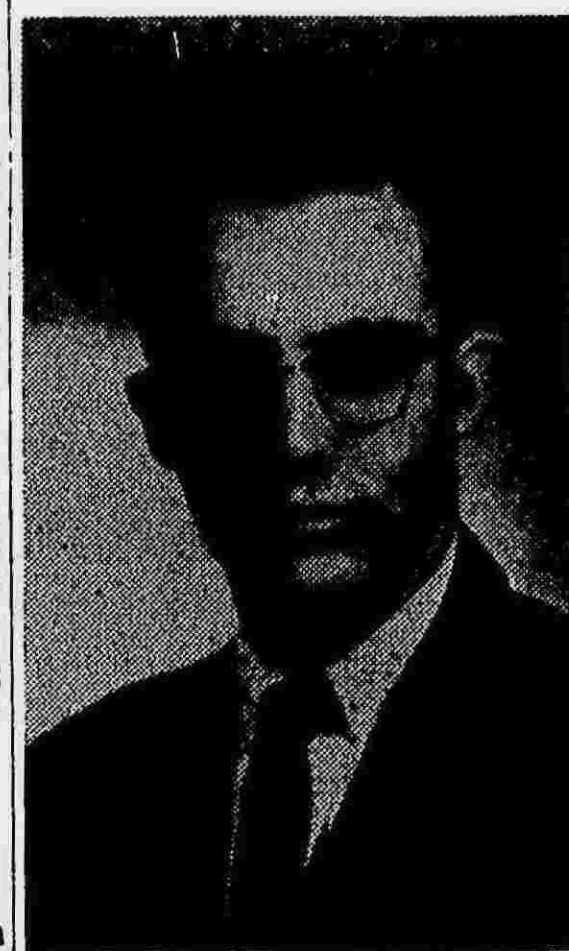

The group is said to have the approval of Mayor Joseph Armondo of Fox Lake.

Lake Forest College Grads

Miss Charlene Powles

Miss Charlene Powles, daughter of Mr. and Mrs. Laurel D. Powles, 957 Victoria St., Antioch, a February graduate of Lake Forest College, was awarded a Bachelor of Arts degree with a major in Psychology at the commencement exercises on Sunday, June 8.

Robert S. Hernquist

Robert S. Hernquist, son of Mrs. Sam Hernquist of Antioch, was a June graduate who received a Bachelor of Arts degree in Business Administration.

James Franklin Oates, Jr. of New York City, chairman of the board and president of the Equitable Life Assurance Society of the U. S., was the speaker at the commencement exercises marking the end of the school's 101st year.

Richard F. Lynn, 50, Lake Villa Attorney, Found Dead in Garage

Inhaled Carbon Monoxide Gas, Funeral at Strang Home Fri. Afternoon

Richard F. Lynn, 50, Grub Hill road, Lake Villa, an attorney with offices in Waukegan and Chicago, was found dead in his car in the garage of his home by his wife, Harriet, Tuesday evening.

Hose from the twin exhaust pipes ended on the floor of the car and according to Sheriff's Investigator William Wood, Jr., death was from monoxide asphyxiation.

Mrs. Lynn found the motor of the car running, stopped it and removed the hose. An attempt by the Lake Villa Rescue squad to revive Lynn failed. He was clad in pajamas and a robe. A drinking glass was beside him and a piece of wood was wedged between the clutch and the brake pedals.

Atty. Lynn was born Oct. 28, 1907 in Quebec, Canada, and came to the United States as a child. He lived in Chicago and Glenview before moving to Lake Villa 20 years ago.

Surviving are the widow, Harriet, and a daughter, Tiffany, who has been visiting relatives in California. Also surviving are the mother, Mrs. Gertrude Lynn, Dallas, Tex., a brother, John, of Alaska; two sisters, Gertrude Brown of Minnesota, and Mary K. Wieboldt, Dallas, Texas. A sister, Marjorie Robertson, preceded him in death.

The funeral service will be held at 1 p. m. tomorrow (Friday) at the Strang Funeral Home with interment at Graceland cemetery, Chicago.

Citizen's Advisory Com. Reports Enrollment at A.T.H.S. to Reach 2746

A rather gloomy picture of the physical facilities at the Antioch Township High School on the basis of future growth was presented last night by the sub-committee of the Citizens Advisory committee.

"Inadequate building space, a present building that does not meet full requirements of state inspectors, and uncertain financing all combined to strike a note of pessimism," Secretary Elizabeth Storch said.

The finance committee asked a delay in its final report until the next meeting on July 2, when it will have had an opportunity to obtain figures on the assessed valuation based on the new assessments.

The committee on population trends and enrollment said that the enrollment of the Antioch Township High School will increase from 600 to 695 next year. The enrollment in 1962, as figured from present grade school enrollments will be 1128 and the projected enrollment in 1972 will be 2746. "These figures are conservative and do not take into consideration new residents the Bong Air Base and the new toll road may bring," Mrs. Storch said the committee reported.

The school property east of the Soo Line tracks was termed adequate for athletics but inadequate for building purposes.

Board Meets Tonight To Open Bids on Car For Police Department

Bids for the new squad car for the Antioch police force will be opened this evening.

Scheduled for opening Tuesday evening, the procedure was delayed until tonight when it was learned that two or more of the trustees would be out of town and there would not be a quorum.

Four bids have been submitted. The board has asked for bids on rental or sale of a new car with a trade-in of the car now in use.

Antioch Man Injured In Car-Pole Crash

Robert Sturm, 20, of 1021 Osmond ave., suffered a fractured left ankle and cut forehead Sunday when his car went out of control on Rte. 173 on a curve just west of Rte. 59 and hit a telephone pole.

Deputy Sheriff Edward Boehm said Sturm, driving on a restricted license, was going west when his car left the pavement, and rocketed off the shoulder of the road against the pole.

The Antioch Rescue squad took Sturm to Victory Memorial hospital for treatment.

Good Old Summertime

Work Again Proceeding on Oakland School; Pupils on Bus Routes B and C Will Go There

Guy Williams, 63, Lake Villa Resident, Band Leader, Dies

Guy Williams, 63, Lake Villa, widely known as a band leader, died at Victory Memorial Hospital Tuesday morning as the result of injuries received Saturday when his car collided with another automobile on Wadsworth road east of Lewis avenue, Waukegan.

Sheriff's police said the accident occurred about 3 a. m. Donald Doucette, 30, of 1512 Illinois street, Zion, told deputies that he was driving east on Wadsworth road near the North Shore Line tracks when he saw lights of an approaching car which he told police was weaving about on the road.

Doucette said he turned into an lane to avoid hitting the Williams car, but the two collided after the Williams car hurtled up the embankment and came crashing down on Doucette's automobile. Doucette received only a bruised elbow.

Williams was taken to Victory Memorial hospital suffering from multiple fractures.

Williams was a member of the Drum and Bugle corps of the American Legion at Racine. Surviving are a son, Fred, and a step-son, Harold E. Brown.

Funeral services were held at 10 a. m. today at the funeral home, 313 10th st., North Chicago.

H. W. Brown Conducts Private Summer School Of Make-Up Studies

Harrison W. Brown, seventh grade teacher at Antioch Grade school, is conducting a private school for pupils of intermediate and upper grades in the old building at Main and Depot streets.

The classes extending from June 9 to July 16 are held from 9 to 11:30 a. m. two days a week, the upper grades attending on Wednesdays and Fridays and the lower grades on Tuesdays and Thursdays. Private tutoring is on Mondays.

The summer school operated distinctly separate from the regular public school is designed to help the pupil who is deficient in certain subjects and wishes to catch up with his classmates in their regular classes.

"Instruction is on a moderate scale this summer, but by next summer it can be greatly expanded," Brown said.

Village Gets New Awning
The village purchased a new awning from Thebest Venetian Blind Co. of Antioch and had it installed Tuesday. It is of a permanent nature.

Opens Sinclair Station

Roger Stahl is planning a grand opening later for the new Sinclair station he has opened in a new building at First avenue and Rte. 173 one mile west of Antioch in the California subdn. at Lake Marie.

Stahl is aided in the work by his son, Roger, Jr., a high school student. A resident of the community for 2½ years, Stahl is an experienced mechanic and can aid customers with minor repairs.

Rep. Church to Speak At Dedication Saturday Of L. Villa Post Office

Postmaster Joseph Hucker Invites Entire County to Attend Open House

Rep. Marguerite Stitt Church, member of Congress from the 13th district, and Coy R. White, field service officer of the U. S. Postal Department will be the guests of honor at the dedication of the new post office at Lake Villa at 3 p. m. Saturday.

Mrs. Church will be the main speaker and will address the crowd at the front of the new building. In event of rain the service will be held inside.

Postmaster Joseph Hucker said that Anthony Sciacero will serve as master of ceremonies, representing the Veterans of Foreign Wars. There will be open house after the ceremony.

The new office is on Cedar avenue in a building erected by Earl and Evelyn Hucker and leased to the government. Through this arrangement the community will realize a tax income and the federal government need not spend money for construction.

The office is modern. The old partition with its cage windows is gone, and the open counter gives the interior an appearance of the normal modern office room. The space is 1,610 square feet in addition to 300 square feet of platform space and 5,390 feet of parking and maneuvering area at the rear for postal vehicles and the convenience of the public.

Ill. Bell Telephone Co. Extends Base Rate Area

Illinois Bell Telephone Company has filed a tariff revision with the Illinois Commerce Commission in Springfield which, when effective, will eliminate extra charges now being paid by a group of telephone subscribers near the perimeter of Antioch.

The tariff revision will also permit others to have urban-type service without the payment of extra charges.

Manager R. N. Hawkinson said the change will be made effective July 3, 1958. About 937 subscribers will be affected.

Hawkinson said that 288 subscribers who have been outside the company's base rate area and have been paying extra mileage charges to get urban-type service will have the extra charges dropped. Another 178 customers will have their extra charges reduced because extension of the base rate area will reduce the mileage involved.

Hawkinson also said that 471 residence and business customers in the area who have had rural-type service have ordered urban-type service, now that the mileage charges will be eliminated by the tariff revision.

The subscribers are generally located in the area west of Antioch.

Construction of considerable outside plant equipment was required to make the base rate area extension possible, according to the manager. Substantial amounts of wire in cable were added in the area, in addition to changes needed in the central office at 966 Victoria street.

Sox Top Little League Play Cellar Cubs Next

The undefeated Sox moved into first place in the Antioch Little League during the past week.

The Sox defeated the Tigers 10 to 0 Friday. It was the first loss for the Tigers who on Tuesday handed the Dodgers a defeat 8 to 3.

The standings as of June 18 are:

Team	W	L	Pct.
Sox	3	0	1.000
Tigers	3	1	.750
Giants	1	1	.500
Dodgers	1	2	.333
Yanks	0	2	.000
Cubs	0	2	.000

Games this week will be Cubs vs. Sox on Thursday (today); Yanks vs. Giants on Friday; Dodgers vs. Yanks next Tuesday.

Again the management is appealing to mothers of the Sox, Giants, and Yanks to help on the refreshment stand. One mother from each team is needed the nights of the games.

Mr. and Mrs. John Weiss have opened their new business, Sequoit Harbor, on Rte. 173 west of Antioch. The harbor now provides boat access to the Chain of Lakes via a newly dredged channel into Lake Marie.

The Spider in the Paper

The News-Herald, of Cuba City, Wisconsin, recalls the famous answer made by Mark Twain when he was asked if finding a spider in a newspaper meant good luck. The writer said: "Finding a spider in your paper is neither good luck nor bad. The spider was merely looking over the paper to see which merchant was not advertising so that he could go to that store, spin his web across the door and lead a life of undisturbed peace afterward."

The News-Herald adds: "It's even more true today. People are buying and reading more newspapers than ever before in history. Population has increased 47 per cent since 1920... but newspaper circulation has increased 94 per cent."

"Almost EVERYBODY reads the newspaper. It's one medium people won't do without."

Wise producers and sellers of goods and services of all kinds know that newspaper advertising is the best way to keep the spider and his web away!

It Can Happen Again

Have you forgotten what a polio epidemic is like? Let this description of what happened in a single state, from a recent speech by Raymond H. Barrows, executive director of the National Foundation for Infantile Paralysis, refresh your memory: "People were cleaning their houses, raking up their lawns, discussing summer vacations on that warm spring day when four hospitals admitted patients suffering from high fevers and paralysis."

Still that wasn't enough to alarm anybody. Four cases don't make an epidemic. But as May passed, the dread word 'polio' began creeping into backyard conversations. By June polio had made its presence known with smashing effect. Hospitals began frantically checking their equipment and facilities.

"July became a nightmare as the weekly number of cases passed well over a hundred. By early August the word 'polio' blazed daily in newspaper headlines. That week 211 new cases were reported. Public gatherings were banned. Summer camps were closed. Vacations were cancelled. Patients were bedded in hospital corridors. New words crept into the daily vocabulary: 'hot pack machines', 'Toronto splints', 'isolation gowns', 'iron lungs'. The National Foundation recruited 718 nurses and 811 physical therapists from other areas and rushed them into epidemic centers. Polio chapters spent \$431,000 and the National Foundation's New York office advanced more than a million and a half."

"Volunteers gave their time and energy until the bitter end—and the end came all too slowly. Not until late September did the weekly case load drop below 100. The last case of the year was reported just before Christmas. Health authorities then totaled up the damage: 2,516 persons stricken, 143 of them dead."

That was in the state of North Carolina in 1948. Last year, in contrast, the U. S. had no polio epi-

demio. To the Salk vaccine and the 65 million Americans who have been vaccinated goes the credit.

But with three out of seven Americans still unvaccinated, polio epidemics can happen again. For the National Foundation warns that paralytic polio cannot be really wiped out until every person under 40 has had his full series of Salk vaccine shots.

If you are one of those who haven't, don't take a chance. Get your vaccination now.

THE BOTTOM HASN'T FALLEN OUT

There is no point in minimizing the unemployment problem in this country. At the same time, there is an obvious danger that we may be led into wildly exaggerating it.

As of a late date, the Wall Street Journal points out, the unemployed amounted to about seven per cent of the total work force. "By way of comparison the figure at the worst of the great depression of the 30's was 30 per cent. The lowest figure—three to four per cent—was reached during the postwar boom."

"Therefore," the Journal says, "when we attempt to appraise the present state of the economy in terms of unemployment we should remember that seven per cent out of work, while personally distressing, is mathematically excessive only when compared with the best years any economy ever had."

We all hope that the seven per cent of the work force who are now unemployed will find jobs soon. Meanwhile, it will do no one any good to act as if the bottom has completely fallen out of the economic structure. It hasn't. Despite the recession, the vast majority of the American people are far better off, materially speaking, than their equivalents in any other country on this earth.

A Vacation Hazard

Preparing for vacations takes work. Luggage must be checked, clothes bought, reservations booked, milk and newspaper deliveries stopped, electricity and telephone shut off, house plants, gardens, lawns and pets provided for.

If you are going abroad you need passports, visas, guide books and a whole series of vaccinations. This year there should be a new vaccine on your required list—the Salk vaccine.

But even if you are not leaving the country, vacation time is still a dangerous time for polio infection. One reason lies in the nature of the virus.

There are actually three types of polio virus that cause paralysis. They are known as Type 1, or the Brunhilde type, named after a chimpanzee from whom it was first discovered; Type 2, or the Lansing type, from Lansing, Mich., where it was first identified; and Type 3, or the Leon type, named after a Los Angeles boy who died of it.

In different parts of the country one type may, at any given time, be more prevalent than others. If, for instance, you are going from California, where the Leon type may be most prevalent, to New York, where the Brunhilde type may be most prevalent, your natural immunity may no longer protect you. Or, even if you stay home, an influx of vacationers may bring in other virus types heretofore less prevalent in your area.

The virtue of the Salk vaccine is that it protects you against all three types. But unless you have been vaccinated yourself, you cannot be sure of immunity. Play safe and make vaccination a part of your vacation preparations.

Mr. and Mrs. George Mazzuca went to Springfield June 3 through 6 where they attended the State Farm Insurance Convention. They had a most enjoyable stay at the St. Nicholas Hotel, but the highlight of the trip was that George received an award for the highest sales with best insurance underwriting for Lake and McHenry counties. Congratulations!

The Mazzucas are busy people and they just got back home in time for the Faith Luther League to use their basement recreation area for a party on June 10 for the newly confirmed young people. There were 32 present at the party and the basement was decorated festively by Ken Mazzuca, Sharon Bauer, Carol Kopecky, Bob Gable and Allen Broder. A large cake was a feature of the party which said on the top "Welcome to Luther League, Best Teen Club in the World." The Rev. R. P. Otto held a short meeting to show how the organization is run, after which the young people played ball and badminton. Two fathers, George Mazzuca and Walter Bauer had charge of grilling all the hamburgers. All in all, fun for the whole group.

Attention, Grass Lake Area people: The Salvation Army tag day will be held on June 27. Due to the inclement weather it was postponed last Friday. Remember that part of the money collected for this drive stays in our own township of Antioch and benefits the needy of the

area. Please donate generously and if you can spend an hour or so tagging call Mrs. Helen Burke, 937-R and volunteer your services.

Mr. and Mrs. Lester Hribar of Indian Point gave a large party on Sunday, June 15 in honor of their daughter Annabelle's graduation from Antioch High school. There were about sixty guests present for this happy occasion, and they all enjoyed a lovely meal about 2 or 3 o'clock in the afternoon. Among those present was Annabelle's grandmother, Mrs. Mame Thompson, who came all the way from Phoenix, Ariz. She will visit here and with relatives in Chicago for a while, before returning home. It was a big occasion that Annabelle won't soon forget.

Mr. and Mrs. Warren Edwards of Indian Point saw their son, Raymond, married to Miss Marilyn Joanne Dowell, daughter of Mr. and Mrs. Harry Dowell, of Channel Lake, at the Millburn Congregational church on Saturday, June 14. The reception was held at the V.F.W. home in Lake Villa.

The Robert Hart family, Grass Lake rd., traveled to Macomb, Ill., this past week in order that their son, Bill, could visit the campus of Western College, which he is considering attending. While they were there they visited and stayed at the home of Mr. and Mrs. Russell Fluke, of Macomb, who are cousins of Bob. Amy Hart says that down there the farmers' fields are under water due to the heavy rains. She says they had a most enjoyable time.

Familiar faces to Grass Lake area people among the staff of instructors at the Antioch Aqua Center are Mrs. Charlotte Queen of Indian

Point, Mrs. Karen Baird, also of Indian Point and a teacher at the Grass Lake school, and Miss Pat Keulman of Antioch, also a teacher at Grass Lake. Many of the children from this area are enjoying swimming instruction from these pretty teachers.

Walter and Alice Johnson of Petite Lake entertained all of the Johnson family over the weekend. Visiting them from Tyler, Texas, were Walt's sister and husband, Mr. and Mrs. John Corcoran and their children. Alice and Walt lived there themselves for about three years when they were first married. Also another sister and husband, Mr. and Mrs. Charles Gohs and son, were guests as well as Mrs. Walborg Johnson, Walt's mother, and Mr. and Mrs. Pete Johnson of Arlington Heights, a brother. Altogether there were 11 children present and one nephew, Charles Gohs, age 19, stayed overnight in order to get up early and go fishing with Walt. A most enjoyable family reunion for the Johnsons.

Tommy Tutein and some other boys around Petite Lake caught two baby raccoons, which they built a

nice cage for and are keeping as pets. Naturally all the neighborhood children are over at Tutein's, wanting to feed the little animals such delicacies as raw hamburger. Something to keep the boys real busy this summer.

Girl Scout Troop No. 73 will not meet next week. This meeting is cancelled because their leader, Grace Amendola, and assistant leader Dorothy Edwards, are going to serve as counselors at Camp Hastings. Betty Amendola, Denise Jarvis, and Caroline Lasco are the scouts going to camp. They will be at camp all week. Mrs. Amendola will be in charge of games and music. Miss Edwards will teach the girls archery. Mrs. Youngman is going to camp each afternoon to instruct the girls in arts and crafts. The troop will have a fund raising booth at the Community Club sponsored carnival this Saturday and Sunday.

Mr. and Mrs. William Chase are very happy with their new daughter, born last Saturday at the Woodstock hospital. The Chases have two girls and one boy. Mrs. Chase is secretary of the school board and also activities chairman of the Community Club.

The Community Club wants to invite everyone to come over and enjoy themselves at the carnival this Saturday and Sunday, which will be held at the school. The spaghetti dinner being served Saturday between 5 and 8 p. m., promises to

be really delicious.

Brownie Troop No. 74 invited their mothers to attend their meeting last week. All the Brownies were pinned at this meeting. Refreshments were served after the ceremony.

Boy Scout Troop No. 86 has been busy assisting the carnival committee. The boys will have a fund raising booth.

Many Channel Lake residents attended the wedding Saturday afternoon of Marilyn Dowell and Ray Edwards, which was in the Millburn Congregational church. Many said the bride was beautiful and it was a lovely wedding.

Mrs. Robert Wiser of Los Angeles, Calif.; Mrs. H. D. O'Neil, Wauwatosa, Wis.; Mr. and Mrs. Harry Muradian, Jeffrey and Leslie of Wheeling, Ill.; Mr. and Mrs. Harold

Humphrey, Burlington, Wis.; Mr. and Mrs. Ed Clear, Harvey, Ill.; and Mr. and Mrs. David Noddin, Jr., and family, Morton Grove, Ill., were week-end guests of Mr. and Mrs. David Noddin, Sr., at their Channel Lake home. The Sr. Noddins are here temporarily from their Florida residence.

Mrs. Frank Brett and son, Tom, who is on leave from the Navy, were Sunday dinner guests of the Russell Homan family, Tiffany road, Antioch.

Thank You

I wish to thank everyone for their kindness, cards, gifts, flowers and prayers during my stay in the hospital. God bless each one of you.

EARLY DAYS OF ANTIOCH

(By J. M. Horton)

EARLY FRENCH EXPLORERS

The first white men to penetrate the vast wilderness of the Mississippi Basin, of which our state of Illinois formed a portion, were the early French explorers.

At the time the Puritans arrived in "The Mayflower" on the shores of Massachusetts, France had already established her colony at Quebec and was making extensive plans to occupy Canada and establish a great empire.

The reports circulated in France concerning the advantages of the fur trade with the Indians were such as to induce many of the nobility and gentry to invest their fortunes in the New World.

Fur traders and hunters, possessed of both business acumen and a sturdy curiosity, pushed into the new country, as did the first Jesuit missionaries, who were ever anxious to carry the news of the gospel to the native tribes of the Northwest. These hardy men were the thin edge of the axe which gradually split wide open the great territory of America's midwest to white settlement.

The first white man who is known to have stood upon the soil of Illinois was Jean Nicolle, agent for the "Company of the Hundred Associates" which from Quebec ruled the basin of the St. Lawrence.

Nicolle's trip, by canoe, covered hundreds of miles of virgin wilderness from July, 1634 to December, 1635. Coming by way of Mackinac and Green Bay, he ascended the Fox river to portage over to the Wisconsin, following that stream to within a few days travel of the Mississippi. Below the portage he visited the Maskoutens and other tribes of the Illinois Indians, who lived southwards in about sixty villages. This location would apparently include the lake region of McHenry and Lake counties.

What an experience it would be for some young fellow of today, say from Antioch High School, to have accompanied Nicolle and his men on their lonely, history-making journey into the uncharted wilderness of that early day.

He would have seen no towns, roads, bridges, traffic, no people. He would have found himself in fringed buckskins and carrying a long flintlock rifle with powder horn, slipping quietly along the river in a supply-laden bark canoe; seeing only the green river banks, the dark forests, the lush marshlands, the tawny prairies. He would have heard only the sounds of the wild creatures of the land and the air. Fighting the white rapids, portaging over the sand bars, camping each evening at likely places along the river. Just occasionally perhaps, he would have caught a glimpse of a furtive brown-skinned figure among the bushes as some curious Indian watched this new canoe with its strange party of white-skinned men drift along down the stream.

It was not until the year 1673

that Father Marquette of holy memory, was appointed to the Illinois mission, and accompanying Louis Joliet floated down the Wisconsin river from the point where Nicolle turned back, and continued on via the Mississippi River to the mouth of the Wabash, Ohio.

On returning they traversed the course of the Illinois river, visiting a large Indian village called Kaskaskia near what is now Utica. Continuing on, they bypassed the site of what later became Chicago, and by canoe, came along the lake shore past the future sites of Waukegan, Kenosha, etc., up to Green Bay, where a mission had been established by Father Allouez in 1669.

The following year Marquette again visited the borders of Lake County when, in company with two bands of Illinois and Pottawatomies, he journeyed back to the Kaskaskia village. From Marquette's writings, it has been concluded that, upon this trip bad weather forced the party to land their canoes at a point about where Waukegan now stands, and make the remainder of their journey to Chicago on foot. Thus it was more than a century before the Revolutionary War, Marquette, the intrepid explorer and faithful missionary, had traversed this region on foot, where probably no white man had been before him.

Then followed LaSalle, in 1679, when with Hennepin and others, he came south along the west shore on his way to the Illinois. Joining Tonti, the Frenchmen in January, 1680, built the first white man's structure on the river a little below the Indian settlement. This was Fort Crevecoeur, which soon was abandoned in favor of Fort St. Louis built upon high riverside cliffs now known as Starved Rock. This spot, famed for its tragic Indian history, is now a state park and a favorite point of interest for modern vacationers. In that early day, however, the white men's nearest place of trade was Montreal.

Another trip was made by Tonti in the fall of 1680, passing through what is now Lake county, going north to Green Bay. Again in January 1682, LaSalle and Tonti were on their way to the Mississippi, on

which journey they traversed its entire length and took possession of the whole vast basin for France and called it Louisiana.

The letter of LaSalle to Frontenac in 1682 makes first mention of the early day residents of our county, when he found the Mascoutens and Kikapous living in villages between the DesPlaines and Rock Rivers.

In 1685 a relay fort at the Checagou Portage was built, and within a few years became a place of considerable importance for traders. The thin edge of the axe was beginning to make its mark.

Next week: "When the Indian was here."

TWO COMMISSIONED AND LT. FROM R.O.T.C.

Ronald M. Hamelberg, son of Mr. and Mrs. Edwin Hamelberg, Sr., of Lake Catherine and David A. Vose, son of Mr. and Mrs. Avery Vose of Crawford road, Antioch, were commissioned as second lieutenants in the armed forces of the United States at 10 a. m. ceremonies Friday, June 13, in the University auditorium of the University of Illinois.

The oath of office was administered by Col. Paul W. Steinbeck, U. S. Army.

The University graduates earned their bars through the Reserve Officers' Training Corps. Men receiving commissions have completed four years of ROTC training and a summer camp or cruise, or the equivalent. While two basic years of ROTC training are required of all able men students at Illinois, the two advanced years leading to a commission are optional.

Library News

Two new books have been added to the sport section of the Antioch Township Library in memory of Eugene Sheehan. "The Sal Maglie Story," by Milton J. Shapiro, is the colorful story of the pitcher who was "washed up," yet led the Dodgers to victory in the 1955 World Series. Red Grange's book, "My Favorite Football Stories," collects factual stories by such sports writers as Grantland Rice and John Kieran and exciting short stories by Damon Runyon, C. B. Kelland, Frank O'Rourke and others. This is a fine collection for the gridiron fan.

In "Practical Gardening," Olive Mason Gunnison has packed information to give the beginner a "green thumb" and to bring to the advanced gardener up to date information of many new materials and methods recently developed. The good index will assist the gardener in finding the material he needs. "Practical Gardening" was given to the library in memory of Simon P. Simonsen.

Sonia Bleeker has written books about the Indians of North America for many years. Her newest book is "The Navajo," which is subtitled "herders, weavers, and silversmiths" and gives an excellent introduction to the culture of this Southwest tribe for young readers. "The Navajo" is available at the library in memory of Mrs. Edith French.

★ Jim Conway, WBBM-TV's Television Star of "In Town Tonight", meets Mrs. Harper Richards of Chicago, Illinois

**"Our kitchen stays so much cleaner...
and really, nothing looks as modern as an electric range!"**

says Mrs. Richards

Modern automatic electric ranges mean less time wasted on kitchen drudgery. Mrs. Richards, partner in Harper Richards Associates, devotes much of the time and energy she saves to Interior Designing.

JIM CONWAY: I imagine a modern kitchen is important to the woman of the house. But do you run into this trend to electric cooking often in your work as an interior designer?

MRS. RICHARDS: Yes I do, Jim. And I have noticed a decided increase in the number of women who want not only an electric range... but an all-electric kitchen. Of course, it seems to me a modern electric range is really the first step toward modern electric living.

JIM CONWAY: Well, what do you consider to be the big advantages of electric cooking?

MRS. RICHARDS: My own experience tells me

electric cooking is much cleaner. And cooler, too. Our oven doesn't heat up the kitchen. There are also many automatic features with the modern electric range that give a woman greater versatility as a cook. She can roast, broil, boil, deep-fat fry, grill, bake and barbecue—all automatically.

JIM CONWAY: And very economically. As you probably know, the average-size family can cook electrically for about 7¢ a day.

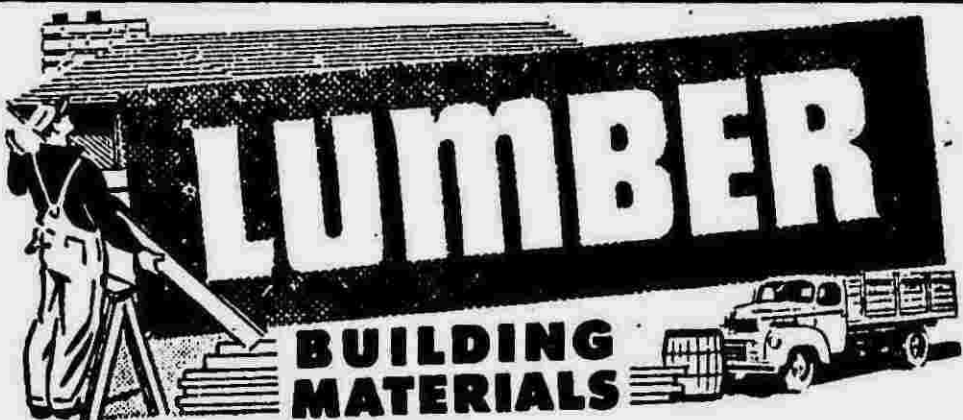

MRS. RICHARDS: Yes, and the woman of the house will spend a good deal less time in the kitchen in the bargain, Jim.

Every day, more modern women cook the modern electric way

Shirley R. Nelson Is Bride In St. Peter's Church

At 5 p. m. on June 15 at St. Peter's church, Miss Shirley Rae Nelson, daughter of Mr. and Mrs. Myrus Nelson, 1054 Victoria st., and Charles Erbach, son of Mr. and Mrs. Lawrence Erbach, Normandy Lane, Grayslake, were married in a double ring ceremony by the Rev. Fr. Francis Johnson.

The bride, given in marriage by her father, chose for her wedding a floor-length gown of nylon organza fashioned with a full skirt with empire bow. The bodice was of lace and sequins with scalloped boat neckline. Her French illusion veil was held by a lace cap crown trimmed with sequins and pearls. She carried a bouquet of stephanotis and white orchids.

The bride's attendants were Mrs. Gail Fields, matron of honor, bridesmaids Leone Nelson, sister of the bride, Lenore McCord, cousin of the bride, and Sue Erbach, sister of the bridegroom. The attendants wore floorlength gowns of shades of blue taffeta fashioned with bouffant skirts with large bow in back. They carried white carnations.

Attending the bridegroom as best man was Eugene Maerzke of Watford, Wis., and ushering guests were James Yahnke, Alvin Nelson and James Otenlock. Mrs. Joanne Poulos and Mrs. Shirley Gutowski sang, "Mother at Your Feet I'm Kneeling." A reception was held for 350 guests at the J. M. Club, Waukegan. The couple honeymooned at the Wisconsin Dells.

The bride is a graduate of Antioch Township High school and Northern Illinois Teachers College at DeKalb. The bridegroom is a graduate of St. Mel's High school, Chicago, and Wright Junior college.

They will make their home after July 1 at 265 Park Avenue, Antioch. The bride was guest of honor at several pre-nuptial showers and dinner parties during the past several weeks.

Service of Reception For New Methodists

A service of reception for new adult members into the Methodist Church was held at 4 p. m. Sunday. The Rev. Wallace Anderson conducted the service.

Adults who were received into the fellowship of the Methodist Church were: Mrs. Wallace Anderson, Bernard Anderson, Mr. and Mrs. John Van Slochteren, Mr. and Mrs. Fred Techert, Mr. and Mrs. J. H. Worswick, Mr. and Mrs. William Clayton, Mrs. Donald Gaston, Mrs. Hazel Freiday, Mr. and Mrs. Otto Berg, and Mr. and Mrs. Leslie Sorensen.

Mr. and Mrs. Elmo Edwards and Mrs. Ed Strang were received into membership on Sunday, June 8.

Following the service, a fellowship hour was held in Wesley Hall.

Mrs. Curtis Wells returned home Friday after undergoing surgery June 5 at Victory Memorial hospital. She is convalescing at her home.

Married Sunday in St. Peter's Church

Antioch Garden Club to Hold Annual Luncheon-Party

The Antioch Garden Club will hold its second annual luncheon and card party at 12:30 Monday, June 23 at St. Peter's hall. Final plans were made for the luncheon at a meeting held Tuesday at the home of the chairman, Mrs. Donald Purdy. Reservations for the luncheon may be made with Mrs. Fred Oschmann or Mrs. Purdy.

Tournament Next Wednesday

The Lions Club will have its annual tournament next Wednesday at the Richmond Country Club. The board of directors will meet Monday evening.

JONASES MOVE TO INDIANA

Mrs. Irven Jonas and son, Richard, of Victoria st., left Tuesday to join Mr. Jonas in Griffith, Ind., in their future home there.

Mr. Jonas is employed by the American Can Co. and was transferred to their plant at Hammond, Ind.

The Jonases have been residents of Antioch the past four years, and lived at Channel Lake the previous five years. Richard graduated from Antioch Township High school last month.

Mr. and Mrs. C. W. Wikoff and children, Joan and Bobby, returned to their home in Urbana Sunday, after a two weeks visit with Mrs. Wikoff's parents, Mr. and Mrs. Joseph J. Rhymer of Antioch. While here, Mr. Wikoff attended the annual School of Management of the National Foundation Funeral Service at Evanston, Ill.

Millburn Congregational church was the setting at 3 p. m. Saturday for the marriage of Miss Marilyn Joanne Dowell and Raymond J. Edwards. The double ring ceremony was performed by the Rev. Delbert Schrag.

The bride, daughter of Mr. and Mrs. Harry Dowell of Channel Lake, was escorted to the altar and given in marriage by her father. The bridegroom is the son of Mr. and Mrs. Warren Edwards, Indian Point, Antioch.

For her marriage, the bride wore a floorlength gown of nylon net and lace over taffeta, designed with a sweetheart neck line trimmed with sequins and rhinestones on net and lace insert. Her fingertip veil was held in place by a crown of lace, sequins and rhinestones. She carried a bouquet of feather carnations and yellow rosebuds.

Preceding the bride down the aisle was her maid of honor, Miss Madeleine Shaffer. She wore a gown of aqua nylon net over taffeta, and carried a colonial bouquet of yellow carnations. Misses Lois Dowell and Janet Maleski served as bridesmaids, wearing gowns of aqua nylon over taffeta. They carried colonial bouquets of blue carnations.

Attending the bridegroom as best man was Louis Kempf.

Following the ceremony a reception was held at the V.F.W. Home at Lake Villa.

The newlyweds are taking a wedding trip to the Ozarks, and plan to make their home at Little Silver Lake when they return home.

Summer Reading Plan For Children, Adults At Lake Villa Library

The Lake Villa Woman's Club and the Lake Villa P.T.A. are jointly sponsoring an active special interest summer reading program at the Lake Villa Township Library.

Children aged 9 to 15 are invited to join the Summer Reading Club, called Books Are Bridges to Knowledge. For each book read and reported on, in 12 classifications, a colored brick is placed in his personal Bridge of Knowledge. When the summer program is completed, the children will receive a bookmark acknowledging the "Building of a Bridge", and the number of books read.

Children aged 5 to 9 are invited to the Story Hour in the Library from 10:30 to 11:30 each Saturday morning, June 14 through August 9. Their Bridge to Knowledge will be built by a brick for each attendance at the Story Hour.

Adults are invited to try reading as a summer pastime. There is a new selection of books. Recent book gifts have been received from Mrs. William Thompson, Mrs. C. H. Jackman, Nancy DeWaters, Charles Wullenbacher, and Mrs. Grace Ellison.

Children and adults have been enjoying Friday night as Music Night at the Library. They have found that reading and listening to good records make for an enjoyable evening.

Mrs. Carolyn Horan To Head Auxiliary Of American Legion

Mrs. Carolyn Horan of 407 Orchard st. was elected president of the Antioch unit of the American Legion Auxiliary at the meeting held June 13.

Other officers elected to serve with her are Myra Randall, first vice president; Dorothy Horan, second vice president; Louise Radke, treasurer; Agnes Hills, historian; and Margaret Swenson, sergeant-at-arms.

Delegates chosen to the state convention are President Horan, Lucy Himens, and Ellen Swenson; alternates are Vera Horton, Pearl Anderson, and Eva Gaylord.

The convention will be held July 31, Aug. 1 and 2.

A committee from the Auxiliary unit met with the committee from the post, and plans are now under way for their summer carnival which will be held from July 9 through July 13. Nancy Zitkus, president, is asking for volunteers from the Auxiliary members to help in the food booth and as cashier for the various rides at the carnival.

The next meeting of the Antioch unit will be held at 8 p. m. June 27 at which time initiation ceremonies will be held.

ANTIOCH WOMAN'S CLUB PREPARES PROGRAM FOR YEAR

Twenty members of the board of the Antioch Woman's Club met Thursday afternoon, June 12, at the home of the president, Mrs. Clarence Olson. Plans were made for the program of the coming year. Rebecca Anderson was sponsored for the Conservation Camp, Sonya Pickus for the Music Camp, and James Knigge for the Art Camp.

The Lake County Federation of Women's Clubs will have a luncheon at 12:30 p. m., July 9, at the McHenry Country Club. For reservations, phone Mrs. Clarence Olson, 1042 by July 5.

RAINBOW GIRLS TO INITIATE

The Order of Rainbow for Girls of Antioch Assembly No. 23 will have a regular meeting on June 23 at 7:30 p. m. Diane Mantis is the worthy advisor. It will be a formal meeting with an initiation.

Barbara Yates, publicity chairman for the Rainbow for Girls, has left on a two month trip to Europe.

Engaged

Rose Anne McGreal

At an informal gathering of family and relatives last Saturday evening, Mr. and Mrs. Arthur McGreal, of rural Antioch, announced the engagement of their daughter, Rose Ann, to Mr. John Pichik, of Elgin, Ill. John is the son of Mrs. Helen Pichik, 319 Spring St., Elgin.

No definite date has been set for the wedding.

NEWPORT 4-H HAS MEETING

The Newport Challengers had their fifth 4-H meeting June 4. The meeting was called to order by the president, Janet Ames. Then we had the secretary's report given by Linda Asterland as usual, and the treasurer's report given by the vice president, Cheryl Phelps, as Joy Cunningham was absent. We then discussed whether or not we would take part in the "Share the Fun Festival" and decided not to. Then the meeting adjourned.

After the meeting Linda Behrls gave a talk on "Burns." Linda Osterland on "What 4-H Should Do About Safety on Wheels," and Mary Ann Cook, on "Animal Bites."

Then we played games and had refreshments.

The next meeting will be held on June 18. Christine Marie King, Reporter.

FOX LAKE HILLS' FOA FIRST ANNUAL PICNIC

The Fox Lake Hills Property Owners' Assn. will hold its first, annual picnic on Sunday, June 22, at the beach house area. In case of rain, it will be held June 29.

Each family is requested to bring its own picnic lunch. Other refreshments will be on sale. Pop and ice cream will be furnished for the children.

Games and baseball have been planned and there will be clowns and pony rides to entertain the children.

Money raised will be used for beach improvements.

MRS. ROZEK CHAIRMAN OF GRASS LAKE GROUP

Mrs. Sylvia Rozek was elected chairman of the Grass Lake Scout Home group at a meeting held Tuesday evening at the Scout Home, Grass Lake road.

Other officers elected were Mrs. Gerald Byrne, secretary, Mrs. Matthew Nolan, Jr., treasurer. Those appointed on the maintenance committee for upkeep of the building, were: Russell Halversen, Mat Nolan, Jr., Gerald Byrne, Herb Meyer, Gerald Turck, and Robert Hart.

MOOSE TOPICS

The Antioch Moose lodge will be host to the Winner Legion, second degree of the organization at 2 p. m. Sunday.

A large class of candidates will be initiated into the second degree. At 3 p. m. an election of new officers for the coming year will take place and this will be followed by installation.

All members and officers will then attend a banquet and entertainment at the Moose Home. This is the first time in several years this honored event has been scheduled for the Antioch Moose Home.

Mrs. L. V. Sittler, and Mr. and Mrs. William Hansen and sons, Ronnie and Billie and their daughter, Carole, left Antioch Friday for a vacation in New Orleans and Florida. While in Florida they visited William Terry who is stationed there with the U. S. Air Force.

Miss Jane Jernigan of Little Rock, Arkansas, and Miss Gail Grever of Salina, Kansas, are guests this week of Miss Mary Shepard.

Card of Thanks

I wish to thank my friends who remembered me with cards, flowers and gifts throughout my stay in the hospital.

Mrs. Mary Kelly, 79, Operator of Homes For the Aged, Dies

Mrs. Mary E. Kelly, 79, of Linden Lane, died at 4:15 a. m. Wednesday at Condell Memorial hospital following a short illness.

Mrs. Kelly was born in Chicago, Nov. 22, 1878, and lived there before coming to Antioch where she operated the Catholic Order of Foresters Old People's Home where the Benedictine Monastery is now located at Benet Lake. It was then called Forest Villa.

She moved to Lake Catherine in 1948 where she operated Ardvale Old People's Home.

Previous to coming to Antioch, Mrs. Kelly was chief matron at the Western Electric Co. plant.

She was a member of St. Peter's church, and the Women's Catholic Order of Foresters, of which she was financial secretary of Birmingham Court No. 186 in Chicago.

Surviving are a son, Langdon, and two grandchildren, Richard and John Kelly.

Services will be held at 9:30 a. m. Friday at St. Peter's church with interment in Mt. Carmel cemetery.

Friends may call at the Strang Funeral home after 7 p. m. today. In lieu of flowers contributions for masses are suggested. A rosary will be recited at 8 p. m. today.

State Will Provide 200 Nursing Scholarships Under Work Year Plan

Nursing education scholarships worth from \$2,000 to \$3,500 over a three-year period, are now available, Frank Denison, counselor at Antioch Township has been informed.

A bill signed by Gov. W. G. Stratton made 200 scholarships available, through the Illinois Department of Welfare for the year 1958.

To be eligible the student must be between 17 and 35, a high school graduate who is qualified for admission to an approved School of Nursing. The scholarships provide all tuition to the school of one's choice in Illinois or another mid-western state, all fees, books and uniforms, plus a monthly stipend of \$30 for the first year, \$40 for the second year, and \$50 for third year students.

There is an obligation, however. The candidate must accept employment at full salary starting at \$285 to \$300 a month as a staff nurse in the Department of Public Welfare's 12 hospitals or two schools, with civil service status, on the basis of one year of employment for each year in school on the scholarship. A meeting on the plan will be held between 1 and 4 p. m. Friday, June 27 at the office of W. C. Petty, county school superintendent, in the court house at Waukegan. Questions will be answered there.

Demonstrate Shaping Of Christmas Trees At John Weigel Farm

A demonstration on the shearing and shaping of Christmas trees will be held on the John Weigel farm at 2 p. m., Wednesday, June 25. The Weigel farm is located on the southwest corner of the junction of Edic and Gages Lake roads. The farm is about one mile north of route 120, three miles east of route 45, and two miles west of route 63.

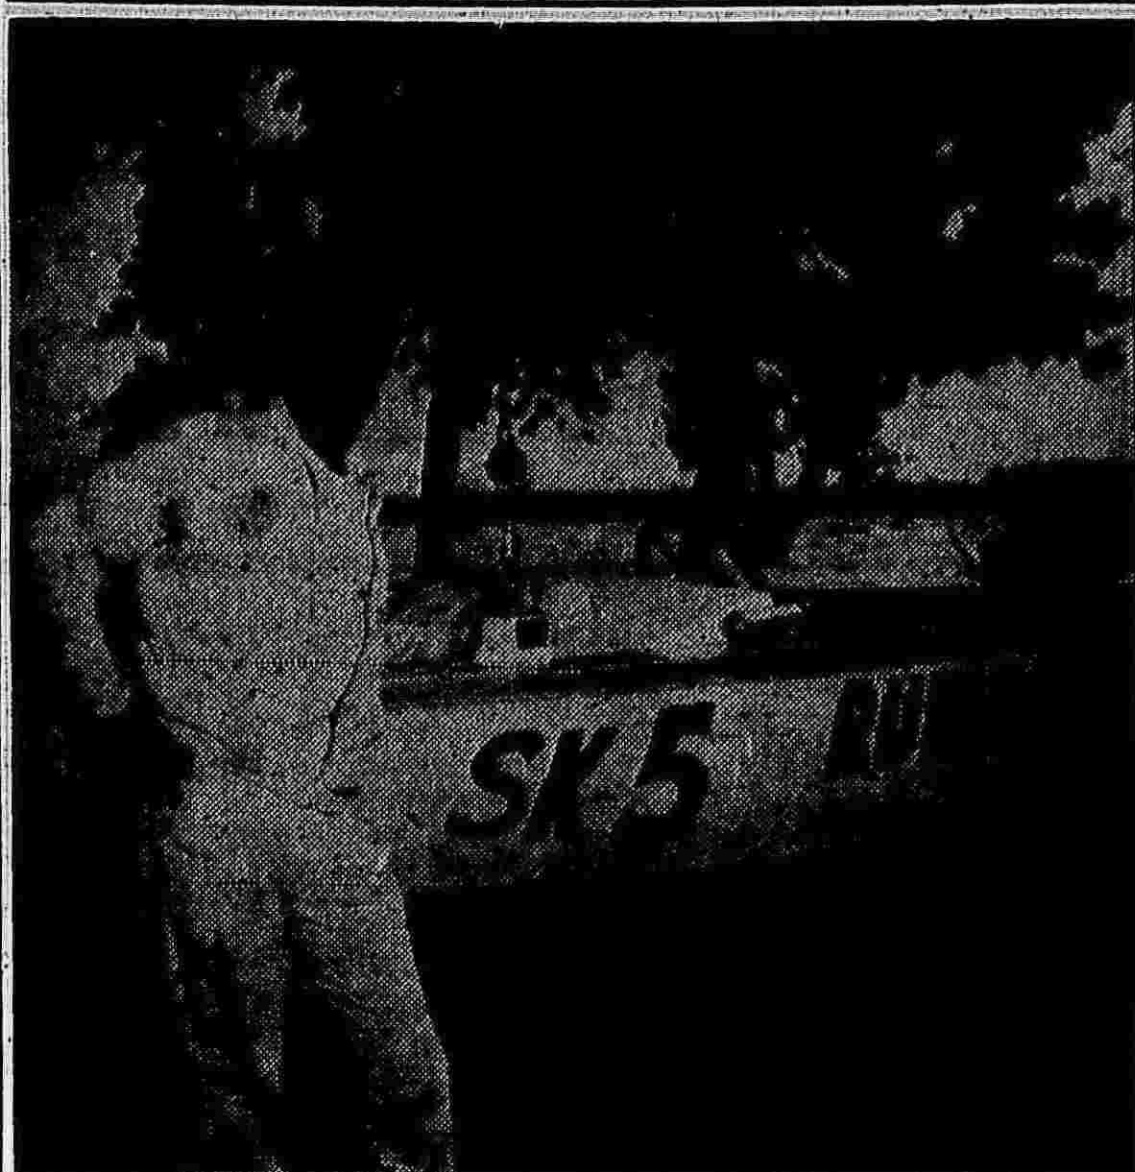

Extension Forester, L. B. Culver, of the University of Illinois will present the demonstration, which has been arranged by Farm Adviser, Ray T. Nicholas, to give the many landowners in Lake County who have planted trees first-hand information on shaping them for Christmas trees.

Unless evergreen trees are properly sheared and pruned, only a small percent of them will make desirable shaped Christmas trees.

The meeting is open to the public, and anyone interested in the demonstration is invited to attend.

Mr. and Mrs. Ed Strang and daughters, Jane and Sue, returned home Tuesday after a week's vacation trip to the Black Hills in South Dakota and relatives in Iowa.

Grandmother of Local Teacher Dies Suddenly

While on a visit at the home of her grandson, Louis Chenette and family last week, Mrs. Louise Ontjes, 71, of Aplington, Ia., died unexpectedly of a heart attack.

The body was taken to Aplington where the funeral service was held Monday.

Mrs. Ontjes, who had raised Mr. Chenette, local high school teacher, came here with Mr. Chenette's sister, Miss Louise Chenette, for the visit.

Mrs. Blanch E. Kiefer Long Time Resident Of Antioch Buried

Blanch E. Kiefer, 76, 1104 South Main st., died June 12 following an illness of 10 days.

Mrs. Kiefer was born April 27, 1882 at Fox Lake and lived in Antioch since she was four years old. Her marriage to Joseph Kiefer took place in 1904. He preceded her in death.

Surviving are the sister, Mrs. Addie Zimmerman, with whom she made her home, and several nephews and nieces.

The funeral service was held at 2 p. m. Saturday at the Strang Funeral Home with the Rev. Edmond Hood officiating. Burial was in Fox Lake cemetery.

The Antioch News and Antioch Theatre invite Walter G. Johnson, Rt. 4, Silver Lake Ave., Antioch, Ill., and one to attend Sunday, Monday or Tuesday showing of "Bridge on the River Kwai" at the Antioch Theatre.

THIS WEEK'S U of I MARKET BUY

Beef is improved in market value. More cattle on hand and prices at wholesale slide downward slightly. Cooler weather slackened demand allows for concession pricing of steaks. All cuts of pork quote higher. Poultry prices are generally unchanged. Eggs continue low in cost. Fresh fruit volume improves, such as new crop peaches and soft fruits. Grocery prices edge downward on manufacturer discounts.

Chicago Food Values

Meats: Beef rib roasts—Steaks—Fryers.
Dairies: Ice cream—Brick cheese—Large eggs.

U. of I. Food Report

Chicago Retail Food Markets
Week of June 16-21

CHICAGO—Retail outlets are preparing for traditional July Fourth ham and poultry features, but present cooler weather holds beef in an improved value position this week.

According to the University of Illinois consumer service survey, there is more of all kinds of beef

juicer and more tender cuts from better fed prime and choice grade cattle. Coupled with generally steady to slightly lower prices, the homemaker can hardly go far afield in beef purchases.

Weather-induced market imbalances have developed in roasts as demand slackened for steaks. As result of what is termed a "shifting and sifting condition," many opportunities exist for stores to run spot values at concession prices to prevent a backlog. Meanwhile, beef roasts can be had anywhere from 49c to 89c per pound, depending on the desired cut. Hamburger holds at 55-59c.

Along with weather, the market is experiencing the predicted larger arrival of cattle, slaughter tonnage up 25 per cent over the previous week—indicating a long run of improved beef values.

Pork markets continue to fluctuate from week to week and presently have turned abruptly higher in all classifications. Loins showed a \$3.00 cwt. increase at wholesale, for instance, which is reflected in center cut chops topping \$1.00 per pound retail. Bacon holds at a consensus 78c, representative of cured lines.

Hog arrivals remained substantially steady but considerable action was noted by eastern buyers shipping into areas where temperatures have been cooler than in the midwest. On balance, however, Chicago-area pork prices tend to average out. Last week retail pork was lower, this week it's generally higher. Now the market is adjusting to anticipated strong demand for

hams during the Independence Day week-end with attendant promotions.

Poultry items also will be popular at that time. Consumers will find cut-up chicken (legs and breasts) joining whole fryers in the value spot. Fryers are unchanged price-wise to remain on this week's value list.

Fresh fruits and vegetables are increasingly plentiful by volume and selectivity, at lower prices. Peaches and other soft fruits are more abundant, cantaloupe, watermelon and strawberries representing "big deals." Consumers will have no trouble finding abundant native vegetables—radishes, cucumbers, peppers, sweetcorn, beans, carrots, cabbage, potatoes, beets, lettuce and other greens. Only tomatoes deviate in terms of a wide range of price and quality. Five-cent cabbage and 10-cent lettuce is the order of the day, other items pricing accordingly.

While groceries remain generally steady, canned foods show signs of adjusting to a new crop year. Wholesale prices are reported slightly higher in anticipation. Retailers are currently holding the line through merchandising manufacturer discount "deals" on current stocks. This has the effect of lowering retail prices for many lines.

CLEAN PICTURE TUBES

Go over to your TV set . . . now look down from the side over your screen. How much dust do you notice on the inside of the glass?

We've seen screens with enough dust to cut the vision of the picture in half. The light rays reflected off particles of dust put an unnecessary eye strain on viewers. It ought to be cleaned off at least every four months.

Phone Antioch 1454 for your next service call. The ECONOMY TV on Rte. 173, 1 mile West of Antioch will thoroughly clean it for you. We'll dust the inside of the receiver, too. You'll like our complete television services. Ask your neighbor about us.

Frozen foods show orange juice higher, lemonade cheap and strawberries at reasonable levels.

Dairy products continue to bask in the promotional spotlight of June, with no price changes reported for butter, ice cream, cheese, milk and eggs. Sources report some difficulty obtaining supplies of Grade A large eggs. Value prices this week are 49-51c for whites and 43-45c for mixed.

Current food factors noted in the metropolitan area also are expected to breathe some welcomed relief into the consumer price index

—the next cost-of-living measurement should be down.

DOES THIS MAKE SENSE?

NO! but it Affects You and Every Citizen of the U.S.

"The Interstate Commerce Commission prescribes their rates, presidential fact-finding boards prescribe their wages, public service commissions of the 48 states prescribe their services and none of these has any tie-in with the others—none has any managerial responsibility to the railroads."

No, it doesn't make sense, says Senator Smathers of Florida. He is chairman of the senate subcommittee which has drafted bills now before Congress to help end "the deteriorating railroad situation" and put the roads on a basis of fair competition with other forms of public transportation. That's all the railroads ask!

Publishers from coast to coast recognize the disaster facing the country unless Congress acts promptly to relieve railroads from unfair burdens of taxation and regulation. Here are excerpts from editorials in some newspapers in Soo Line Land:

"Our railroads should not be regulated into ruin. There is no moral obligation on anybody to save the railroads as a favor to the investors. But their value to defense, the inherent worth of private rights-of-way, the unrivaled efficiency of rail transportation, make them a major national asset."—Chicago, Illinois, Daily News.

"The railroads are, as they long have been, the hard core of our domestic transportation network. They are something we could not do without. Yet all the evidence indicates that laws and policies penalize the rails even as they favor other carriers and effectively prevent the railroads from meeting competition."—Austin, Minnesota, Herald.

"To strip the rails of the chains that bind them would do more to return them to health and vitality than any single act. If the rails do not survive, it will be state and federal regulation that killed them. Time is running out—for an industry which is absolutely vital to this country's welfare."—Waukesha, Wisconsin, Daily Freeman.

"Rails need help. The deteriorating financial situation of the railroad industry—characterized as it is by declining traffic and revenues, by depletion of working capital and by inadequate return on investment—is clearly one of our most urgent national problems."—Antigo, Wisconsin, Daily Journal.

"Would it make any difference to Kulm if we had no railroad here? Not if you don't care about the purchasing power of families the railroad provides here. Wasn't it the railroad that helped build up many of these small towns?"—Kulm, North Dakota, Messenger.

Unless definite, positive action is taken now by Congress, railroads will be driven into bankruptcy or government ownership. As a tax-paying farmer, wage-earner, business man or consumer, no subsidy, socialistic ownership or government operation of railroads would be good for you.

Write or wire your Senators and Congressmen urging them to support legislation which will help the railroads.

100 Per Cent Increase in Membership Recorded at Church of St. Ignatius

The Parish Church of St. Ignatius of Antioch nearly reached the 100% increase in membership mark, covering a four-year period, when a class of 12 confirmands were confirmed recently by the Rt. Rev. Charles Larabee Street, S. T. D., Bishop Suffragan of the Diocese of Chicago. In January of 1954, there were 119 confirmed persons listed on the parish register. Today there are 217. In addition to this number, the parish has 89 baptized members making a total membership of 306.

Members of the class which were confirmed on May 25 are: Lillian Golonka, Sandra Keulman, Karen Keulman, Louis Koppen, Sandra Landau, Bernadette Lyon, Penelope Lyon, James Quedenfeld, Louise Radke, Leonard Roblin, Darlene Roblin, and Chester Golonka who was received into Communion with the Church by Bishop Street.

Under the leadership of Richard E. Landau, and a staff of excellent teachers and substitutes, the Church School of the Parish has more than doubled in size, and has displayed an exceptional record in attendance.

During the past four years, the church and parish hall have been completely remodeled and redecorated. In 1957, the Women's Auxiliary of the parish installed a completely new kitchen in the basement of the parish hall, and completely remodeled and redecorated the same portion of that building. Plans are now being studied by the Vestry of the parish leading to the remodeling of the Rectory.

Looking forward to the future, the parish has made advances which are only usually associated with the much larger parishes. The church now employs the Telephone Answering Service, which enables the Rector to be in constant touch with happenings in his parish whether he is at home in the parish or away on vacation. In cases of an emergency nature, he can practically always immediately be notified by phone.

Within the next three or four months, with the cooperation of the Motorola Radio Corporation, the Rector expects to install two-way communications equipment between the Rectory and his automobile. This will mean that whether in his automobile or at the place he is making a call, he can immediately be reached. The parish will probably be the first in the American Church to employ this particular type of equipment.

"Financially, spiritually, and in size and discipline, the parish has grown more than I ever expected or hoped," said Fr. Hood, "and it is a certain sign that God has blessed our work."

In a phone call to the rector, the Rt. Rev. Gerald Francis Burrill, Bishop of the Diocese of Chicago, congratulated the parish upon its activity.

Two Antioch Teams.....

(continued from page 1)

Antioch Varna 2-2-1
Batteries: Moose, Hogan and Prossel; Varna: Schlunz, Oza, Lear and Brownlee.

Winning pitcher—Hogan; losing pitcher, Schlunz.

Eberman was the only player to hit safely twice.

On Saturday, June 14, the Antioch Moose was defeated by the Elm Theatre from Wauconda 13 to 2. Antioch Varna defeated Kleerwrap from Mundelein in a very well played game 2 to 1. Sig Nielsen pitched a one hit game and got some steady support from his team mates. The line score:

Antioch Moose 2-5-3
Wauconda Elm Theatre 13-6-1
Batteries: Moose, Eberman, Hogan and Prossel; Elm Theatre: Davia and Penoyer.

Winning pitcher—Davia; losing pitcher, Eberman.

Antioch 2-3-2

Kleerwrap, Mundelein 1-1-2

Batteries: Varna—Nielsen and Brownlee (Nielsen struck out 13); Kleerwrap—Turk, D. O'Donnell and Paquette.

Winning pitcher, Nielsen; losing pitcher, O'Donnell.

Schedule of games: Saturday, June 21—Antioch Varna at Fox Lake; Gambles, Fox Lake at Antioch Moose.

Wednesday, June 25: Antioch Varna at Creighton, Fox Lake, Kleerwrap Mundelein at Antioch Moose.

Six freshmen and sophomores from the Antioch High school are playing on the two teams. There are positions for four more high school boys in the 15 age group. If you were born on or after Sept. 1, 1942 and wish to try out, call George Horn or Ward Lear. These openings in the 15 year age group must be filled before June 23.

The Antioch News and Antioch Theatre invite Shirley Drucker, Rt. 1, Petite Lake Highlands, Lake Villa, Ill., and one to attend Sunday, Monday or Tuesday showing of "Bridge on the River Kwai" at the Antioch Theatre.

Boy Scout troop No. 91 of Antioch held an investiture meeting at the American Legion Hall June 16. The meeting was conducted by Scoutmaster Chet White and Asst. Scoutmaster Lee Ipsen. Harry Jesse, district commissioner of the North Shore Council, presented the troop charter to George Swenson, institutional representative of the American Legion. Tenderfoot badges were presented to Robert Kolar, Robert Schmitz, Vincent Casella, William Carrick, Harold Nelson, and Edward Mueller. Mr. White, scout leader, gave each boy a scout knife.

Wayne Bentel was awarded the senior patrol leader badge and second class badge. Kenneth White was elected quartermaster; Robert Schmitz was appointed scribe. Jim Horton, scoutmaster of Troop 92, explained the functions of Camp Mac-Ka-Ja-Wan.

The next activity on the troop's calendar is a survival campout on Saturday, June 21.

3 Great Appliances in 1

- ★ AUTOMATIC ICE-MAKER
- ★ SILENT REFRIGERATOR
- ★ 70-LB. FREEZER

Think of it! A 3-in-1 Refrigerator-Freezer that makes sparkling ice cubes automatically. No trays to empty—spill—or forget to refill! and . . . it defrosts itself—automatically!

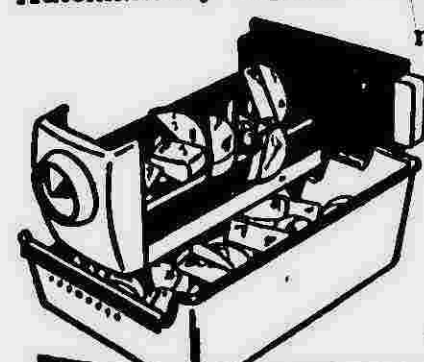

Powered by a tiny jet GAS flame, the new RCA Whirlpool GAS Refrigerator has NO moving parts in the freezing unit, NO noisy motor to wear out and fail—only silent, constant cold that's the newest, greatest advance in automatic refrigeration.

Modern, new styling is years ahead of the rest in lovely looks. So thrifty to operate, too.

Visit our nearest store today—learn about our generous trade-in allowance. You'll find it's especially easy to own one!

Exclusive Magic Ice-Maker

Automatically replaces every cube you use—without trays! Like magic, the Ice-Maker runs its own water, freezes half-moon Ice-Circles, pops them out so they dry off and won't stick together, then stores them in a handsome basket. Keeps 10 ordinary trays full!

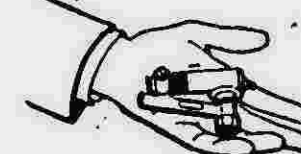

Giant Frozen Food Compartment

Holds 70 pounds of frozen food in separate compartment with separate door. Roomy enough to stock up on food bargains, meats, desserts for days ahead! Refrigerator door features handy compartments for special foods; color-keyed interiors.

Simple, Silent Freezing System

An engineering marvel—this simple, dependable burner takes the place of expensive, complicated motors and compressors that wear out and cause noise. Because it has no moving parts, you get permanent silence, longer life and fewer service problems. Thus, you'll get money-saving economy—year after year after year.

10-YEAR WARRANTY

Longest...Strongest...Guarantee Available!

Full 10-year warranty on GAS refrigeration unit—plus full-year warranty on complete refrigerator. You'll save plenty of money and plenty of trouble with this dependable GAS Refrigerator-Freezer. It's backed by two of the greatest names in household appliances!

Republican Men's Club Conducts Drive to Triple Present Membership; Gets 23 New Members at Start

A membership campaign is being conducted by the Antioch Township Republican Men's Club to triple its membership.

Ted Kaptain, secretary, said that 23 new members already have been received and that the membership now is well over 100. Dues are \$5 a year.

Application cards have been issued and are available from Kaptain, Box 555, Antioch, who may be called by telephone at Antioch 980 or 1294. The application card calls for subscription to the loyalty oath.

"If we are to have a strong voice in county, state, and federal issues, that voice must be strong in numbers," Kaptain said.

At the next meeting of the club Charles Larson will speak on the "lie detector" machine.

Relocate Roads Near New Bong Air Base

Road changes proposed by the state of Wisconsin in the Bong Air Base area, about 9 miles north of Antioch, won approval last night from the Kenosha County Board. The board concurred with state plans to relocate Hy. 43, swinging it around the south edge of the base to meet Hwy. 83 on the west. The board's approval also was given to the proposed new route for Hwy. 75, east of the Bong base.
